

## Planning Your Party

Please provide the following information when booking your event, so that we can recommend from our experience, what is appropriate for your needs and situations.

- **Date and Time of Event:** Check for availability. Please call and reserve your event early. Secure the date and time that you prefer with a \$50 deposit check payable to **Paul Hughes**, 29 Briarwood Circle, Needham, MA 02494. **Balance due upon arrival.** PayPal deposits accepted.
- **Number of children:** up to 15, 15-20, 20+. This helps us judge the proper amount of time, so that all the children will have enough rides, depending on the children's interest.
- **Age range of children:** 1-5, 5-7, 7-10+. We can select the proper size pony that will accommodate the children and decide how long we need to stay. Younger children may want fewer rides and older children may choose to ride longer.
- **Place of Event:** City or Town. Additional transportation charges apply if more than 30 minutes travel time. **Please send directions if not easily found using GPS.**
- **Type of Event:** Birthday Party, Family Day or Block Party, Church/School Fair, Company Outing. We can help you choose the suitable amount of time for your specific event.

*Please call to reserve early!*

*We will be booking up soon!*

*Available all year!*

Our sweet-natured and well-groomed ponies will bring smiles to the faces of the children at your party. Pony rides will provide the children with memories of happiness and enjoyment, laughter and fun.

We keep our prices affordable, so that everyone can enjoy pony rides at their party.

We have medium and large ponies that can accommodate riders who weigh up to 85-100 pounds. Appropriate ages are 1-10+ years. Young children may need an adult or parent to walk alongside them.

Each pony can give about 30 rides per hour. Each ride is 1-2 minutes in length, depending on the number of children at the event.

In planning your event, the best idea is to have the pony rides begin 30 minutes to 1 hour after start of the event to insure that everyone has arrived to take advantage of the pony rides.

We are insured, but our safe and gentle ponies are led by competent, attentive and concerned leaders.

In case of inclement weather, we can provide large umbrellas to keep the children dry. If the weather is too severe you can postpone the event, if another date is available. Holding rain dates would deny others the use of our service.

We are flexible and can adapt to any situation. Pony rides can be done in a backyard, long driveway, sidewalk, cul-de-sac, dead-end street, field, park, schoolyard, etc.

We can suggest the best place for the most enjoyable pony rides for the children. We are sure you will appreciate our friendly, prompt, reliable and dependable service.

## The Benefits of Two Ponies

*Double the Rides – Twice the Fun!*

- Children enjoy riding in pairs, rather than one at a time. They will not become restless, as they would be waiting to take turns with one pony.
- The birthday boy or girl can ride more often, while still sharing with the other children.
- The children get double the rides in half the time with two ponies. It is more fun and enjoyable for the children, with less waiting.
- Children like to ride several short rides, rather than a few long rides. The thrill and enjoyment of riding again and again is more fun and exciting.
- The children can choose their favorite, between the two ponies.
- We can accommodate different size children, with a medium and large pony.
- The two ponies like to go together to keep each other company.

This chart will help you decide which time option would best fit your particular party needs and specific situations.

Options may vary depending upon age range, number of children and interest level of the children. Younger children may have shorter attention-spans and older children may be more focused. This information will help you determine the appropriate amount of time, so that the children have enough rides and stay interested for the full time.
